Reminder on the financing of the company

DBT (ISIN Code: FR0013066750 – Ticker: ALDBT), the European leader in fast-charging stations for electric vehicles, confirms, as announced several times, that talks are still underway with financial partners to secure the financing needed beyond May 2017.

The Group will keep the markets informed of all key developments.

ABOUT DBT

Set up in 1990, DBT is an industry reference in professional electrical equipment (access control bollards, power distribution units, current transformers) and the European leader in fast-charging stations for electric vehicles.

The Group designs, manufactures and sells one of the most high-performance and comprehensive ranges of charging stations on the market, with standard (3-8 hours), semi-fast (1 to 3 hours) and fast-charging (20 to 30 minutes) terminals that are adapted to all types of uses and needs. At 31 December 2016, it had a fleet of over 17,500 charging stations, 2,100 of which are high-speed stations. DBT serves more than 450 active clients including Auchan, Autogrill, BP, EDF, Eurotunnel, Ikea, McDonald's, Nissan, Sodetrel, and the Bordeaux, Paris and Neuilly-sur-Seine town councils, etc.

Awarded the label of "Innovative Company" by Bpifrance, DBT posted turnover of €10.0 million in 2015/16. Based in Douai, the Group employed 78 members of staff at 31 January 2017.
